News from Broadland District Council - July 2024

All Meetings have been suspended until after the General Election at Broadland, so I have very little to report. I have spoken to the returning officer Trevor Holden who is also Broadland & South Norfolk's Managing Director, who said the Council's democratic services team are working hard organising the election and the count which will be held at the 'Food Hall' venue at the Royal Norfolk Showground.

I am now serving on the Planning Committee for the first time since I was elected over 7 years ago, which I am finding very interesting. I am also a member of the Licencing Committee and represent the Council on the Broads Internal Drainage Board.

Kind regards,

Cllr. Jo Copplestone
